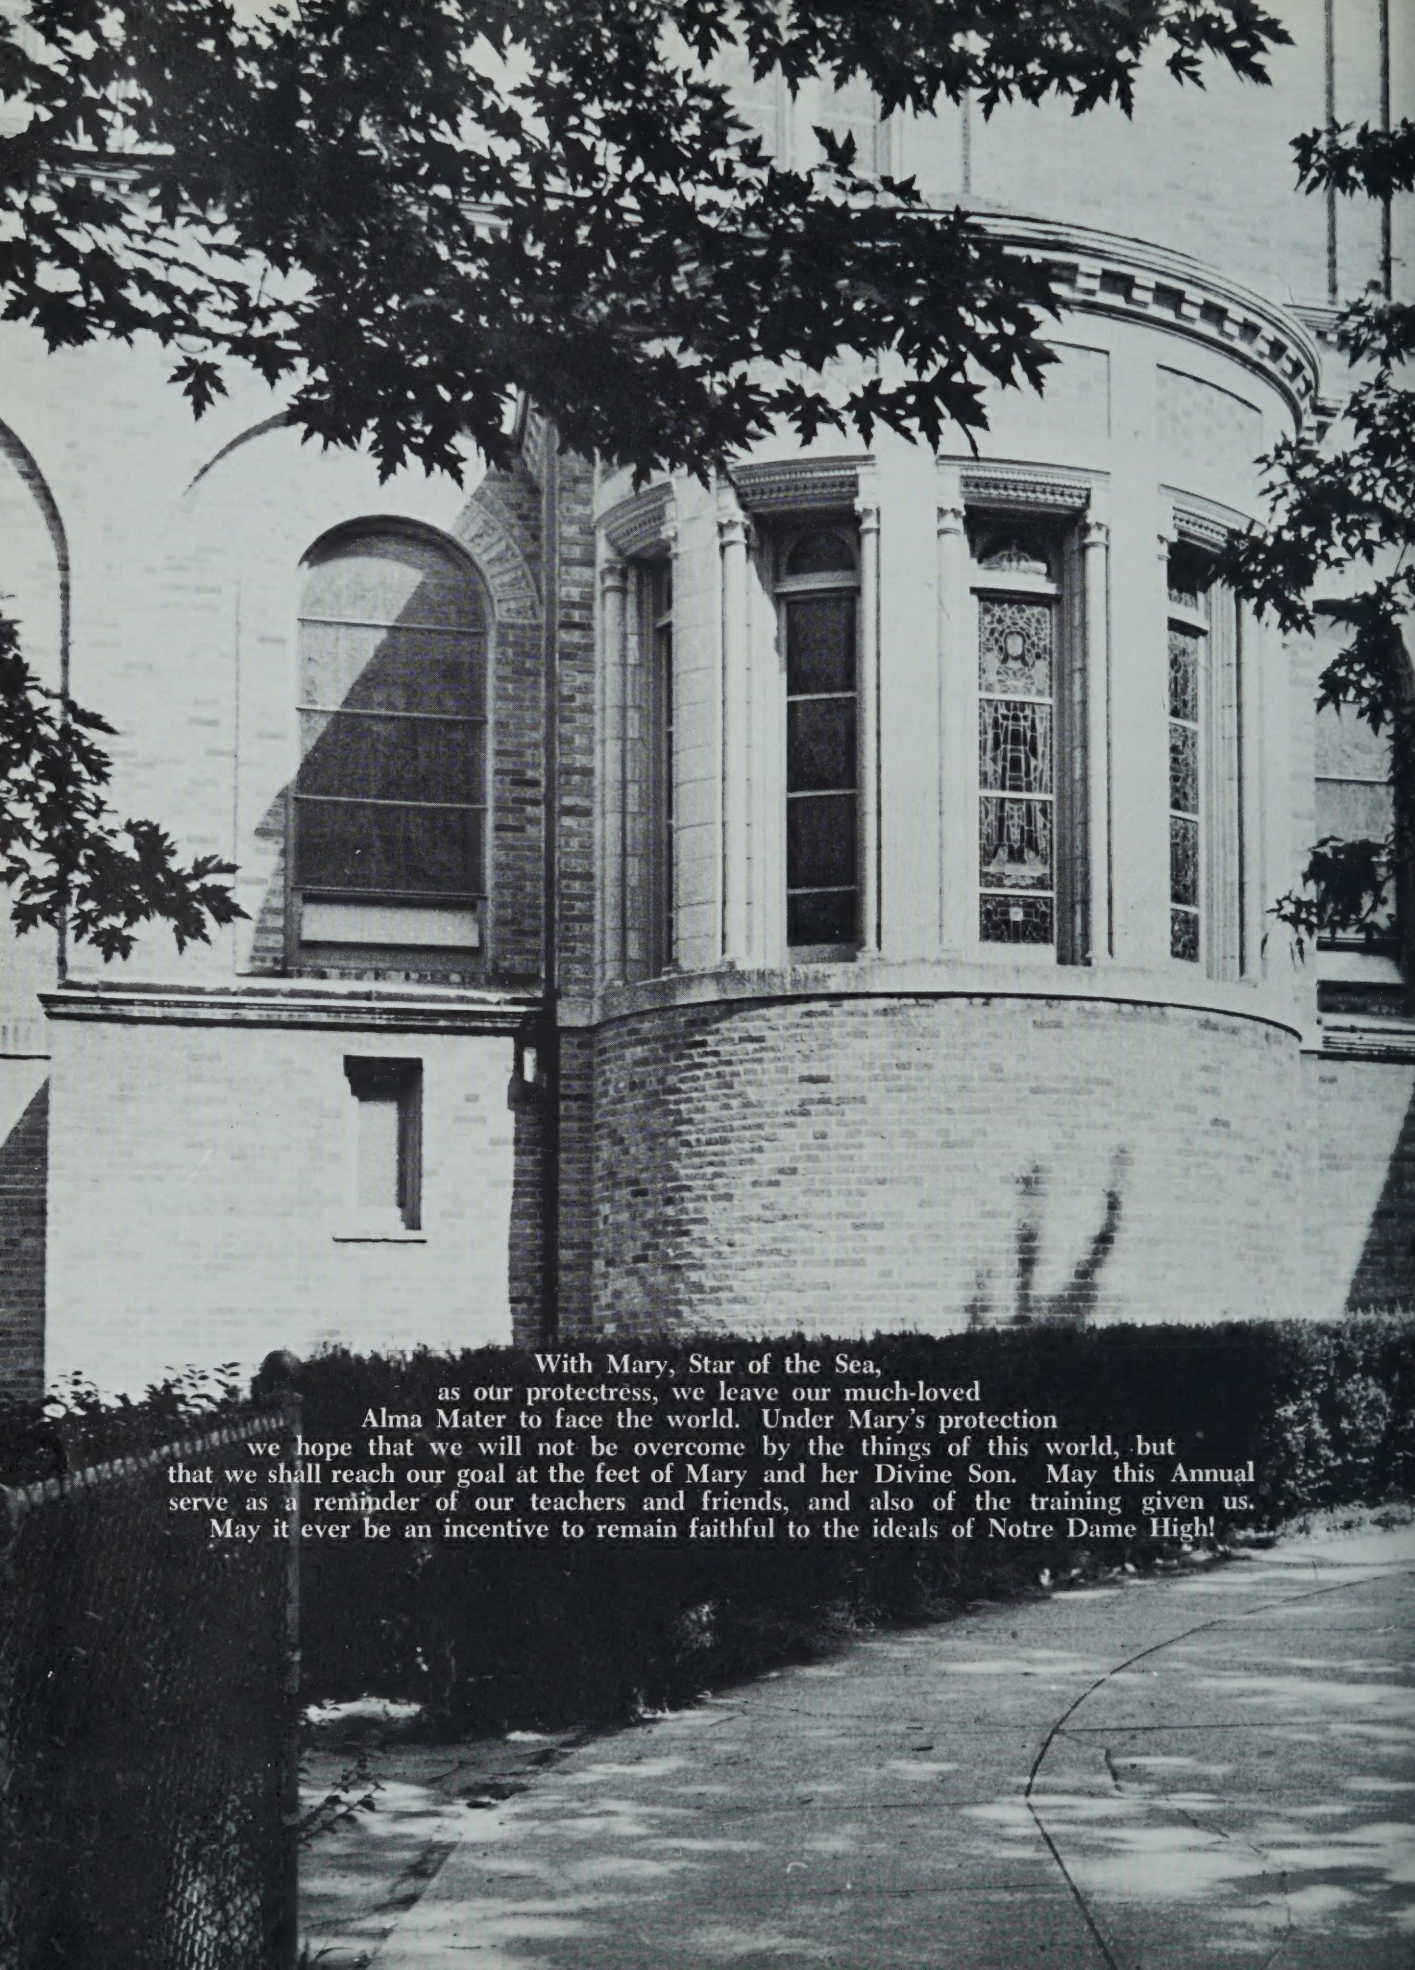
ADVERTISEMENTS



With Mary, Star of the Sea,
as our protectress, we leave our much-loved
Alma Mater to face the world. Under Mary's protection
we hope that we will not be overcome by the things of this world, but
that we shall reach our goal at the feet of Mary and her Divine Son. May this Annual
serve as a reminder of our teachers and friends, and also of the training given us.
May it ever be an incentive to remain faithful to the ideals of Notre Dame High!

FOREWORD

Dedication

REV. RAYMOND J. ARSENEAULT, S.M.

We gratefully dedicate this volume of the

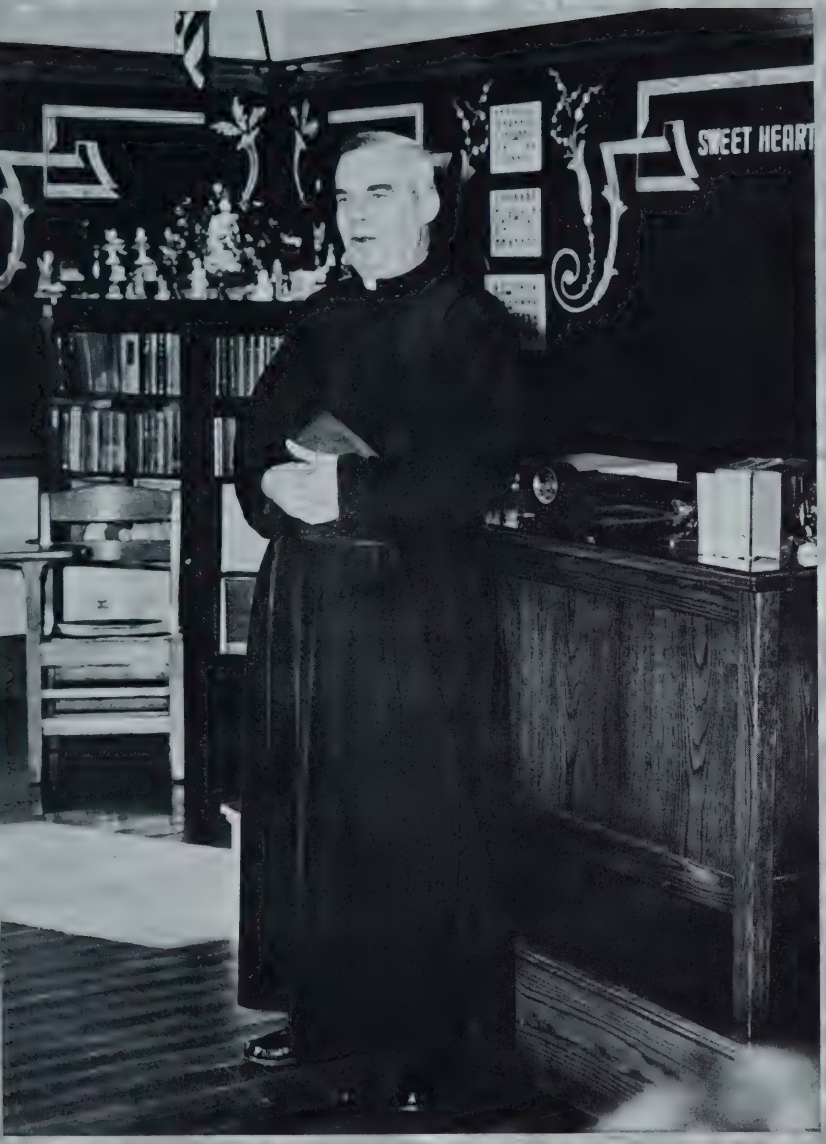
STELLA MARIS

to

REV. RAYMOND J. ARSENEAULT, S.M.

It is with deep appreciation that we acknowledge his untiring efforts in behalf of each and every one of us. His kindness, understanding and patience have been for us a source of inspiration--symbol of all that is noble and true.

We, the class of 1963, join our prayers begging God to grant him continued success in his work for souls and the cause of youth.



REV. LEO BOISSONNEAULT, S.M.
Pastor

It is with sincere and humble gratitude that we pause to thank our pastor, Rev. Father Boissonneault, whom we honor as a priest, and whom we admire and love as one, under whose spiritual leadership, we have come to a thorough knowledge of the truths of our religion.

Father has labored to shape our lives in the light of Christian ideals. His priestly virtues and his love of God have been for us a beacon which will illumine our path in the years to come.

We wish to extend a warm welcome to our new curate, Rev. Guy LeBel, S. M. who has already devoted much time and energy in inaugurating the Confraternity of Christian Doctrine in our midst. May his days at Notre Dame be fruitful!

MARY IS MY MOTHER. I must go to her for HELP, for COURAGE, for GUIDANCE, for all GRACE. She will lead me to the right choice. She will help me give glory to God. She will show me how to find happiness. AD JESUM PER MARIAM!

Reiterating the words of Pope John, Father Boissonneault urges us on to a generosity Christ asks of everyone, ". . . to serve Him more closely, to know Him more deeply, to love Him and make Him loved more intensely."

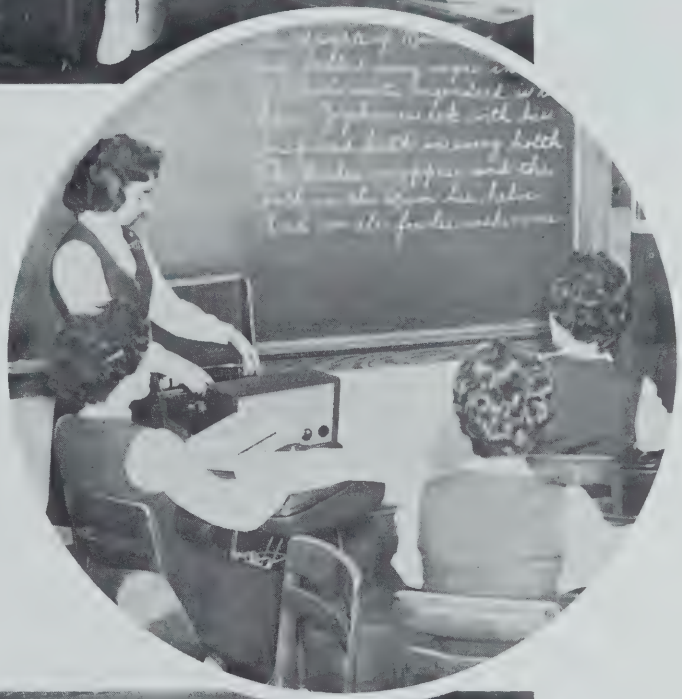
Ronald Meehan profits from Sister's enlightened experiences.

R. Wilson and P. Chiasson discuss their future occupations.

The Guidance Counselor, Sister Anne Genevieve, leads each pupil to understand himself, accept himself as he is and thus prepares him to lead a happy well-integrated life.

Here Sister points out to E. Jackson, S. Maguire, M. Bard, T. Marquis and F. Beninati the requirements of the schools of nursing.

RESEARCH WORK AT NOTRE DAME



Sister Marie Florencia instructs the Math IV class in the use of the slide rule.

Listening to the "Canterbury Tales" in Middle English.

R. Wilson, D. Furilla, M. Lynch and E. Jackson discuss careers in Mathematics.

Accuracy, patience, and good luck seem to be the ingredients needed for a successful experiment.

Kathleen Kelly seems overjoyed at the fact that she "found it"; how about Ronald Meehan and William Boyle?

Large "biological" worms are being dissected by Donna Furilla, Paul Chiasson, Michael Lynch, Susan Maguire and Patricia Maraghey.

Kathryn Ryan observes the wonders of the microscopic world by the use of the bioscope.

Mr. Duddy, our Physics teacher, checks the experimental results for Elizabeth Jackson, James Theriault and Paul Benoit.

Business training takes on a practical aspect as the students in the Commercial Department are trained to render service to their school and community. Such duties as receptionist, typist, and assistant librarian are carried on by the seniors.

Production, efficiency, and meeting deadlines proved a practical experience during the Marist Fathers Fund Appeal Drive supervised by Father Arsenault, while the publishing of the Holy Name Monthly Newsletter and the editing of the teachers' issue of the Sunday-school Messenger for the Catholic Guild for the Blind required proofreading and keeping a mailing list up-to-date.

Students apply their knowledge of transcription in machine dictation by using the IBM Executary, the Gray Audograph and the Edison Voicewriter.

Bookkeeping and Filing are an additional asset to their training.

BLESSING OF CLASS RINGS...

Mixed feelings of joy and sadness filled the seniors' hearts as they approached the altar to receive their rings.

ACKNOWLEDGEMENTS

As we leave the portals of Notre Dame High, the Yearbook Staff and the members of the Class of '63 wish to pause a moment and express their deepest and most heart-felt appreciation

- to the Faculty for their interest, guidance, and untiring devotion in planning our STELLA MARIS;

- to our photographer, Mr. Ralph Tisei, for his kindness and excellent photographic work;

- to Mrs. Johnson of Vantine Studios for her efficiency and wholehearted co-operation;

- to the Portland Lithograph Company for their superior work;

and last, but by no means least

- to our Patrons and Advertisers for their generosity in helping to make this edition of the STELLA MARIS possible.
